**CLINICIANS:** Susan Rogers, Proctorville VT  
Susan Koso, Amesbury MA  
Holly Pulsifer, Ipswich MA

Have you ever thought about driving? Do you have an equine that you think drives or have been told knows how to drive? Do you have a harness and are wondering if it is the correct size or is your equine harnessed correctly?

Have you been having fun driving and wondered what a cones course would be like, or even thought about trying an obstacle course for the first time?

Veteran drivers as well as the clinicians will be available to help demystify some of the things that may seem overwhelming or stop new drivers from feeling safe and having fun.

If you are interested in attending please let us know what topics you are hoping to see or learn about, so we can make sure we address them.
