

Granite State Carriage Association **PROFILE FALLS & OLD HILL VILLAGE**

Outing for Carriages & Riders

TIME & DATE _____

— *NEHT Affiliated* —

Come join us for a spectacular drive/ride along the Smith and Pemigewasset Rivers. An approximate 6+ mile long dirt road meanders through the woods and across brooks which feed into the two rivers that become the Merrimack River in Franklin, NH. The area is wonderfully maintained by The Army Corps of Engineers and NH Fish and Game.

Along the way, you will view the rivers, open meadows and home sites of the former Old Hill Village, which was moved to higher ground after numerous floods. Bridges safely cross the tributaries and you hear the babbling brooks and see many birds and sometimes deer. The drive will be a down and back with an excellent spot for turn around, totaling 12 miles (NEHT members note.)

Back at the parking site, you will be able to splash and get refreshed at the Profile Falls. A public porta-potty is on site. Bring your own lunch for afterwards, and perhaps something to share with your fellow GSCA members. We will offer light refreshments too.

GSCA Outings are free to current GSCA Members. **NOTE: Anyone handling, driving or riding a horse, or sitting in a carriage must be or become a GSCA member**, as required by GSCA's Liability insurance carrier.

For more information to pay your current dues go to
<https://www.granitestatecarriage.org/index.php/join-contact-us/membership-information>

Required paperwork found at

<https://www.granitestatecarriage.org/index.php/news-resources/membership-and-liability-forms>

Outing updates on Facebook, join GSCA's FB group by requesting on FB page:
